STRUCTURAL ENGINEER

FastHouse has an exciting opportunity for a **Structural Engineer** to join our Design Team based in Limavady.

We are looking for a candidate with excellent mathematical, IT and analytical skills, who is detail oriented, creative and with good problem-solving skills.

The successful candidate should display an investigative nature and must be accurate, commercially aware and have great communication skills, with a keen interest in ensuring the safety and physical integrity of buildings. Candidates should have awareness of project and budget management with knowledge of construction processes, materials and legal regulations.

The successful candidate will be reporting to the Technical Design Manager and will be responsible for the following:

ROLES & RESPONSIBILITIES

- Managing the structural design process using commercial, contractual, programme awareness and technical expertise;
- Analyse configurations of the basic components of a structure;
- Using design software to provide timber frame design calculations;
- Advising and understanding client requirements for a building design;
- Encouraging staff to produce correct details, using experience, resources and talents in a cost effective FastHouse approach;
- Ensuring the engineering design process complies with current legislation, standards and codes of practice;
- Ensuring design information is correct and reflects project timescales;
- Working with other Key Stakeholders in the business – Sales, Commercial, Production, Installation;

QUALIFICATIONS & KEY ABILITIES

- Degree in Civil or Structural Engineering or equivalent (essential);
- 4 - 5 years of work experience as a Structural Engineer (essential);
- Chartered membership preferred;
- Good communication skills;
- In-depth knowledge of construction projects and efficient document management;
- Awareness of timber frame or other offsite construction systems would be an advantage.

To submit an application please send your CV to humanresources@fast-house.co.uk before the closing date which is **Wednesday 22nd January 2020.**

LF FastHouse Limited is an equal opportunities employer and we welcome applications from all suitably qualified persons
